

2007 Willamette Valley Pinot Noir

OREGON WINE AT ITS FINEST!

Sourced primarily from Black Family Estate, Dundee Hills AVA and Doe Ridge Estate, Yamhill-Carlton AVA, Oregon.

Earthy and elegant, fruit forward with smooth, expressive tannins, this wine bears all the hallmarks of a great New World Burgundy.

Reminiscent of wild mushrooms and blackberries, luscious damson and warm red roses, the 2007 Willamette Valley Pinot Noir is vibrant and delicious in its youth yet has the soft, focused tannins to suggest ageing with grace.

Over 10 months in French oak has contributed a velvet softness to the mouthfeel without masking the lovely red to black fruit characteristics. The color is a deep, bright ruby with purple rays and the aromas are quintessential Oregon Pinot Noir.

The 2007 vintage will go down in history for some of the finest Pinot Noirs ever produced in Oregon. The secret for success has been in the hands of experience from grape to glass and our dedicated team, led by veteran winemaker Laurent Montalieu and hands-on vineyard manager Luke Pedotti, has once again shown this to be true.

Alcohol: 13.5%
Cases produced: 11,000

Sustainable viticulture, low yields, exquisite wines
