2024 JORY RIDGE PINOT NOIR FOLEY FAMILY ESTATE DUNDEE HILLS

Established in 2003, The Four Graces is committed to making rich, complex wines where the fruit may be elegantly expressed. Our Jory Ridge Pinot Noir is one of four featured wines in our Reserve Graces tier: our Four Graces. Jory Ridge hails from our Black Walnut Estate Vineyard that sits atop Oregon's Dundee Hills with stunning views of Willamette Valley. This vineyard is renowned for its unique terroir where the distinctive, rust-red Jory soils and temperate climate combine to create ideal conditions for growing world-class Pinot Noir. Each "Grace" in this series highlights the climate, land, and fruit characteristics of our individual estate vineyards. - Tim Jones, Winemaker

VINTAGE

The 2024 growing season got off to a slow start with a wet, cool spring. A summer heat wave brought higher than average temperatures to the Willamette Valley and led to some variability in fruit set. Mild temperatures and low precipitation leading up to harvest gave us a long ripening window, allowing flavors to fully develop. Overall, it was a very exciting vintage with excellent fruit quality showing in the wines.

VINEYARD

The Black Walnut is our highest elevation estate vineyard for The Four Graces. This vintage of Jory Ridge was sourced from the oldest vines at The Black Walnut, located just south of the Villa.

TASTING NOTES

The 2024 Jory Ridge Pinot Noir offers a deep and earthy profile, greeting the nose with rich aromas of black cherry and raspberry intertwined with savory notes of sage, forest floor, and mushroom. The palate is remarkably clean and fresh, showcasing bright red fruit flavors accented by a subtle, sophisticated hint of iron. With its impressive structure and long finish, this wine is built for hearty pairings such as beef tenderloin, wild mushroom risotto, grilled eggplant, or a curated charcuterie board.
