Four Graces

Winter 2022

Greetings from Dundee!

As harvest comes to an end, I'd like to look back on 2022.

This year has reminded me of the reason I love winemaking in the Willamette Valley. It is a challenging but very rewarding region. There were spring frosts and delays in the growing season, but we were rewarded by a warm and dry harvest. We began picking grapes about three weeks later than in 2021, which makes this year one of the latest vintages in recent memory.

At The Four Graces we adapt winemaking style to the season, but we know that Nature ultimately determines the quality of the vintage. As we taste through the new wines in barrel, I am very pleased to say that 2022 was worth the wait. I can't wait to share these wines with you in the coming year and in the future.

Happy holidays from all of us at The Four Graces!

Our first fruit of 2022: Beautiful Pinot Gris kicked off harvest for us on September 26th.

2020 WILLAMETTE VALLEY CHARDONNAY

Our 2020 Willamette Valley Chardonnay is a fantastic wine with beautiful, delicate aromas of stone fruit and lemon peel with soft hints of caramel and roasted almonds. The palate has a lively entry full of bright citrus that transitions into a creamy mid-palate with a touch of fresh baked bread. The finish is soft with a lingering minerality and notes of wet stone.

2019 DEEPSOWN PINOT NOIR

92 POINTS, WINE SPECTATOR

92 POINTS, JAMES SUCKLING

90 POINTS, WINE ENTHUSIAST

We are pleased to present the fourth release from our Graces Tier: the 2019 Deepstown Pinot Noir. "Deepstown" is named for the famous Jory soil where the vineyards for this wine are grown at the Foley Family Estate in the Dundee Hills AVA. The deep, well-drained, reddish colored Jory soil is lush, nutrient-rich and derived from sedimentary and volcanic bedrock. Our 2019 Deepstown Pinot Noir is synonymous with elegance and finesse. Aromatics of ripe raspberry and cherry are accented by notes of caramel, earth and forest floor. The palate draws you in with flavors of dark black cherry and hints of earth and sage with fine, structured tannins. Delicate and nuanced, this wine is very transparent in that it reflects all aspects of its crafting: from the climate and soil, to the vineyard and through the slow and gentle fermentation.
