Four Graces

Summer 2024

Greetings from Dundee!

The Four Graces wines are defined by the diverse and unique qualities of our Willamette Valley vineyards. We love describing the influence of soil and clone on our wines, but there is a property of our vineyards that is equally important: elevation.

Our two estate vineyards in the Dundee Hills, The Black Walnut and Foley Family Estate, are notable examples of the effect elevation can have on winegrowing. These vineyards are only two miles apart, and have similar soils, but the Black Walnut vineyards ranges from 900 to 1000 ft elevation, while the Foley Family Estate ranges from 250 to 500 ft elevation. This difference in elevation has a striking impact on the climate of each vineyard. At a lower elevation, The Foley Family Estate accumulates heat more rapidly, causing it to be our earliest ripening vineyard. Conversely, The Black Walnut vineyard at a higher elevation is noticeably cooler, lagging typically 2-3 weeks behind the Foley Family Estate. Wines made at the Black Walnut usually have higher acidity and more structure, while the Foley Family Estate tends to provide more roundness and a riper flavor profile.

We are looking forward to sharing our discoveries from the Black Walnut vineyard in the coming years. No matter if you prefer grapes grown at high or low altitude, we hope you enjoy every glass of The Four Graces.

Enjoy!

Featured Wines

2022 RESERVE WILLAMETTE VALLEY PINOT BLANC

The grapes for The Four Graces Reserve Pinot Blanc come from our very own Foley Family Estate Vineyard and Weathergag Estate Vineyard. Our 2022 Reserve Pinot Blanc is rich and complex with aromas of fresh pear highlighted by hints of honeydew melon and lime zest. The palate continues with flavors of pear, melon and soft, creamy vanilla. The bright acidity and briny minerality have a complex interplay with the balance of richness in this medium-bodied wine complemented by an integrated and seamless mouthfeel.

| ALCOHOL | 14.1% |
| CASE PRODUCTION | 383 |

2021 "DEEPSOWN" FOLEY FAMILY ESTATE VINEYARD PINOT NOIR

"Deepstown" is named for the famous Jory soil where the vineyards for this wine are grown at the Foley Family Estate in the Dundee Hills AVA. The deep, well-drained, reddish colored Jory soil is lush, nutrient-rich and derived from sedimentary and volcanic bedrock. Our 2021 Deepstown Pinot Noir is synonymous with elegance and finesse. Aromatics of redolent cherry and raspberry are accented by notes of allspice, mocha and Douglas fir tips. The palate draws you in with flavors of baked strawberry tart and hints of spice with fine tannins and refreshing acidity. Rich and seamless, this wine is very transparent in that it reflects all aspects of its crafting: from the climate and soil, to the vineyard and through the slow and gentle fermentation.
